

Documents Needed To Obtain A Library Card

All persons applying for a Dauphin County Library System Card must have identification that verifies not only identity, but also current address. Applicants may use ONE form of ID from Column 1, which identifies both who the person is and where he/she lives. Otherwise, applicants must have TWO forms of ID: one from Column 2 identifies the applicant, and one from Column 3 verifies current address.

Column 1	Column 2	Column 3
(One from this column)	(One from this column & one from column 3)	(One from this column & one from column 2)
