DCLS provides residents of Dauphin County with free access to virtually any materials imaginable, both current and ageless. We have books, movies, music, magazines, online access, people to help you with research and programs to help you grow.

The Library is the place to satisfy your curiosity.

A new name, a new logo, a new library – in many ways 2010 saw some important, if not precedent setting, achievements. With the dedication of the William H. & Marion C. Alexander Family Library and the renovation of the East Shore Area Library, DCLS closed the chapter on a nearly 10 year capital improvement project. Circulation hit an all time high of nearly 1,200,000 items checked out or downloaded. People passed through our doors more than 700,000 times; and, we had more than 600,000 visits to our website. So much for the demise of public libraries! I am proud to say that the state of “The Library” – note our new name – is alive and thriving.

Today libraries are being redefined as places to get free access to a virtually limitless amount of information in many formats and from many sources. But what is it that distinguishes us from our so-called competition of book stores, on-line services or the Internet itself? It’s our people. Dauphin County residents know that at The Library, they will find experts to help interpret their needs and find and organize the information that will not only meet, but exceed their expectations.

So, whether your needs include: an audiovisual lecture series, Blu-ray DVDs, world language collection, local history, reference material, e-books, children’s programs, or perhaps the largest collection of books available, I invite you to explore the endless possibilities.

All of this would not have been possible without the support of our County Commissioners and other government leaders, corporate and foundation sponsors, individual donors, volunteers, trustees, Friends of the Library, taxpayers, community partners, and of course the staff of the Dauphin County Library System. Congratulations! You made 2010 an incredible year.

Read on and continue your quest to discover the hidden treasures available at “The Library.”

Bruce Senft
President
DCLS Board of Trustees
In 2010, The Library completed a service improvement plan that spanned more than ten years and six capital projects, including entirely new libraries in Lykens, uptown Harrisburg and Hummelstown. Proving the adage, “Build it and they will come,” library use has continued to soar as these improvements were made, and a new generation is now actively exploring the world through The Library.

12,322 residents signed up for new cards, up 9%
90,644 residents now have a library card
733,299 visits in person at the library
615,390 visits to the virtual library

Discovery Takes Many Forms

1,075 Children’s Programs were offered
24,996 attended these programs, which included Storytimes, the Summer Reading Club, a New York Times bestselling author/illustrator duo, and more

56 Young Adult Programs were offered at The Library
496 teens used their imagination to “Make Waves” at The Library as part of the Summer Reading Club

Overall 26,349 people attended the 1,158 programs offered by The Library

New Worlds Open
Through Books and Borrowing

Books, magazines, music and DVDs were borrowed 1,169,711 times
• E-books were downloaded 3,096 times
• Children’s items were borrowed 398,964 times
• Adult items were borrowed 770,747 times

Virtually Endless Possibilities

194,136 public computing sessions were completed
64,863 electronic database searches were conducted
In 2010, The Library completed construction on the William H. & Marion C. Alexander Family Library in Hummelstown. This library, the last in The Library’s service improvement plan, is nearly four times the size of the former facility and offers three community meeting spaces as part of its services.

William H. & Marion C. Alexander Family Library Opens for Discovery!

On July 27, 2010, former Pennsylvania First Lady Michele Ridge and other dignitaries cut the ribbon and opened the Hummelstown area’s long-awaited new library. New library card registrations at the state-of-the-art library increased a phenomenal 125% over 2009, and borrowing an even more incredible 132%. Library visits increased 29%.

(top left) Michele Ridge dedicates the new library to the community as (l-r) Dauphin County Commissioners Jeffrey Haste and George Hartwick, Pennsylvania Representative John Payne, and Mayor of Hummelstown Bradley Miller look on. In foreground is Richard Hummel. (bottom left) Marion C. Alexander cuts the ribbon to the new library with the aid of her grandson. (right) View of the children’s area featuring the timbered ceiling and game table.
East Shore Area Library Renovations Completed

Expanded parking, more natural light and better lighting overall, better desk configuration for improved service, improved public access to computers, new carpeting and a new HVAC system were among the benefits visitors to the East Shore Area Library in Colonial Park enjoyed when the facility’s extensive renovations were completed.

The Library Launches E-Books

As The Library continues to stay current with the electronic age, one of the most exciting new services available is the ability to download best selling digital titles to play on PCs, MP3 players or PDAs or read on electronic reading devices like the Barnes & Noble Nook and other platforms. With a valid library card and PIN users can browse and search over 1200 great titles and download them to a computer, transfer them to a portable device, or burn them onto a CD. “Check out” an eBook today at dcls.org!

Bestselling Mystery Author Headlines Banquet

Laura Lippman, a librarian’s daughter, former journalist, and award winning author delighted the crowd at the 2010 Light the Way to Learning Awards Banquet with her tales of books, travel, and what it takes to persevere as a writer.

The Ladybug Girl Has Children Swarming at The Library

Author and Illustrator team Jacky Davis and David Soman charmed children and adults alike with their tale of The Ladybug Girl and Bumblebee Boy. More than 900 children benefited from special library and outreach programs associated with the Joan Y. Leopold Children’s Book Week Celebration.

Elizabethville Library Arts Series

The Lunch Box Chronicles: Notes from the Parenting Underground was the subject of Marion Winik’s appearance at the Elizabethville Library Arts Series in April. Winik is a commentator on NPR, the Ladies Home Journal’s Advice Lady, and a professor of writing at the University of Baltimore.
