About Candid.

Candid was formed when foundation Center (the leading source of information about philanthropy worldwide) and Guide Star, (a premier directory of nonprofit organizations) merged in 2019. It is “a nonprofit that provides the most comprehensive data and insights about the social sector.” Candid connects people who want to change the world to the resources they need to succeed.

Candid.

Candid's **Foundation Directory Online (FDO) Professional database, Grants to Individuals** (now part of the FDO database), and **GuideStar** can all be accessed for free inside all eight Dauphin County library System libraries.
